'EXPERIENCE PAINTBALL LIMITED'

The game of paintball with 'EXPERIENCE PAINTBALL !' is fun, exciting and varied, essentially two teams attempt various game objectives whilst attempting to eliminate opposing team members by hitting them with a paintball fired from a paintball marker gun.

Our carefully engineered menu of games is designed for everyone to enjoy, young or old, fit or wheezing, brave or not so brave, all are designed for maximum fun and an experience long remembered.

Paintball games with 'EXPERIENCE PAINTBALL !' are normally played on one of our specialised outdoor sites where trees, foliage, terrain and diverse constructions provide plenty of cover and variety throughout the year.

We offer a full or part day for any group size and are always delighted to discuss requirements to ensure our client's satisfaction. As a specialist paintball supply business we can offer top quality paintball consumables and equipment, events, team enhancement exercises or shooting gallery to other leisure organisations.

We offer a large variety of paintball games in a full *or part* day format, and *are* always delighted to hear any customer's ideas or discuss a client's requirements.

Our extensive menu of games include simple 'fetch and carry' games, tactical 'locate, capture, return and hold' scenarios, adrenalin pumping assault games and awesome 'suicide bomber' scenarios all carefully designed for maximum enjoyment.

Our games menu is always under review to ensure our many regular customers always face a new challenge.

PRICES.....our pricing structure consists of two elements, firstly a non-returnable pre-game deposit of £10.00 per head which should be with us two weeks *before* the intended game date, secondly the paintballs used which are normally paid for at the end of the playing session and cost £6.00 per 100. All prices include VAT

There are no other charges!

For players who wish to use their own paintballs there is a charge of £25.00 per head in addition to the pre-game deposit.

Equipment.....we use the reliable 'Inferno' semi-automatic marker guns (these are probably the most reliable marker guns currently available).

Players *are* advised to wear old clothes and stout footwear (football boots are ideal) and perhaps bring a change of clothes and plastic bags for wet clothes and footwear if inclement weather is likely, we normally play in all weathers within safety constraints.

All players are issued with camouflage coveralls, camouflage hood, safety mask/goggle set and marker gun.

Sites.....we currently operate from two dedicated sites at **Warminster** and **Swindon**.

Both sites have netted safety areas and private off-road parking, players are normally met at the car-park and escorted to the playing areas.

Our sites are **NOT** divided into small playing areas, games are played in different areas of the site but players are free to utilise the whole site during play, players will find this considerably enhances the playing

Players.....paintball games can be very demanding, it is unlikely that anyone under the age of thirteen will be able to cope with these demands.

Although we do try to offer exclusive site usage for each party we reserve the right to combine smaller parties into larger groups of similar abilities.

Players who demonstrate an inability to comply with site safety rules or intentionally jeopardise the safety of others will be asked to leave.

Players under the age of eighteen will need written parental permission to play, forms are available.

Marshals...all our paintball games are supervised by our experienced site staff, they are there to ensure everyone has an enjoyable time when with us, they will assist with tactics before the start of a game but they will not take any part in the games once underway.

Booking.....to book your paintball games with 'EXPERIENCE PAINTBALL !' simply contact us to provisionally reserve your preferred day, time and site. On receipt of the pre-game deposits your session will be confirmed.

Whilst every effort is made to accommodate every requirement organisers are advised to book early to avoid disappointment. Organisers should also note for anon-site part of 18 or more players they will receive **400 free** paintballs, exceed 28 players and this increases to a massive **800 free** paintballs.

Junior Games...we generally recommend younger juniors play for about two hours and suggest parents limit players to about 200 paintballs, We heartily recommend Dads, Mums and other family members enjoy paintball with the juniors.

We will not knowingly mix adult and junior players unless the adults are known to the juniors.

Stag & Hen Parties

(and other matrimonial events)...we have a lot of fun with pre-nuptial groups, that's all that can be said.

Schools, Colleges & Youth Groups...we supply paintball games to many youth groups and learning centres throughout the area, all the necessary Risk Analysis, Insurance Certification and other documentation is available on request.

We have considerable experience with those who do not perhaps share the advantages of most of the population and we are always happy to help where we can.

Many Business Studies 'A' Level groups use our business as a working example to enhance their course work, we're always happy to assist where we can.
